

# JANANI SARAVANAN

Frontend Developer | React.js

s.jananisathya57@gmail.com | 9791611193

## SUMMARY

Front-End Developer with 2 years of experience building responsive, user-centric web applications using React.js and Core Java. Skilled in developing reusable UI components, optimizing performance, debugging complex issues, and collaborating in Agile teams to deliver high-quality software solutions.

## WORK EXPERIENCE

Member Technical Staff - Zoho Corporation.

Aug 2023 - May 2025

- Designed and developed 10+ dynamic, reusable UI components using React.js, aligning with client requirements and design specifications.
- Improved user experience by fixing bugs and optimizing existing UI modules, resulting in a 15% performance boost.
- Contributed to Core Java development tasks for robust data handling and business logic implementation.
- Collaborated closely with backend developers and QA teams to ensure seamless integration and deployment.
- Participated actively in daily stand-ups, sprint planning, and Agile ceremonies to maintain project alignment and timely delivery.
